WHAT MAKES OUR FARM SPECIAL?

Fun & smiles all round

Get ready to spend bright days outdoors and meeting furry friends.

A Safe Place

You are always safe here! Our friendly team and calm animals are here to guide you, listen, and make sure you feel happy and comfortable.

Good feelings and good vibes

Being around horses and green fields is great for the heart. It's a quiet space where you can feel relaxed, brave, and proud of yourself. But guess what? You can also run off some energy too, there is lots of space for you to explore.

New Opportunities to Learn

From learning how horses communicate to discovering how to care for them, every visit brings wonderful new things to try!

A Quick Tip for Young Adventurers:

Whether you love horses already, or you're feeling a bit unsure, we will meet you exactly where you are. Wear your favourite comfy boots, bring your big smile, and get ready to make wonderful equine friends!

If you could tell someone the best thing ever about the farm and the ponies - what would it be?

"It's fun, great exercise and good for mental health"

"WHO WILL YOU MEET HERE?"

Our farm is full to the brim of furry friends, and humans too! Everyone is friendly, kind, and excited for you to arrive.

All the adults and furries here have to pass a safety test, so everyone around is safe and can be trusted.

Other children come here too, so you can make new friends if you would like! You can also play on your own, or even a bit of both! We are very flexible, as long as everyone is safe and listening - that's what's important. We don't have rules for rules' sake, but to keep everyone (including the animals!) happy and safe.

WE CAN'T WAIT TO GET TO KNOW YOU!

"RIDING LESSONS"

We offer riding lessons and no lesson is the same – we always aim to achieve great things and help you progress and make choices as you learn!

- Solo lessons – just you and your instructor
- Buddy up lessons – with one other child or adult
- Group lessons – up to four people

Lessons happen Monday to Friday, and times change depending on the time of year.

There is always an instructor there to help you, we make sure that you are buddied up with people you get along with so lessons feel safe and enjoyable.

PONY DAYS, PARTIES & SPECIAL EVENTS

We also run:

- Pony days
- Fun competitions
- Birthday parties
- Special celebration days

We can plan these especially for you, using creativity and imagination – because no two children are the same, and that's a great thing!

LEARNING IN FUN WAYS

Learning doesn't always have to happen in a classroom. At Parker Equine, you learn by:

- Spending time with animals
- Being outdoors
- Trying new things
- Playing, talking and exploring

We keep a note of the fun and learning you do during your sessions, so we can see how much you're growing and progressing.

"GETTING TO KNOW ADULTS"

Sometimes meeting new adults can feel tricky – especially if grown-ups haven't always made you feel safe before.

At Parker Equine, we take time to:

- Get to know each other
- Build trust
- Make sure you feel listened to

Strong, safe relationships help children feel confident and ready to learn, and we're proud to build those with you.

"LEARNING OUTSIDE SCHOOL

Parker Equine isn't a school, but we do offer learning in different ways.
You might learn:

- How to care for animals
- How to work with your body and feelings
- Practical life skills

This learning is gentle, flexible and designed around you.

MAKING FRIENDS

Making friends can be hard sometimes - and that's okay too.

At the farm:

- There's lots of space to spread out
- You can spend time on your own or with others
- Animals can help take the pressure away

Some children start on their own, then move into buddy up or group sessions when they're ready. We always go at your pace.

ROUTINES THAT HELP

We know routines can feel hard sometimes. We help you build routines slowly and in ways that feel manageable.
Once routines feel easier, we can gentiy add in more learning activities - always planned around what works best for you.

At Parker Equine:

- You're respected
- You're supported
- You're allowed to take things at your own speed

We're Really Glad You're Here!

SOCIAL TIME WITHOUT PRESSURE

We create chances to chat, laugh and spend time together in relaxed ways.
There are no big expectations - just gentle opportunities to connect when you feel ready.
